

## Homeowner's Association Management Update

**"In with the new"** ... as Carla Crane mentioned in the previous March newsletter.....

Hello members, my name is Terri Henley. I am honored to have been appointed and have accepted the position from Vice President of the Board to Manager, taking over Carla's position as of June 1<sup>st</sup>.

Your Board of Directors have been busy working out the details over the past couple of months, making sure Carla's legacy keeps moving forward. Taking care of you, our homeowners needs, concerns, getting the word out in our *Voice of the Village* newsletter and via the website.

I have enjoyed our town of Paso Robles since 1980 and moved to Sierra Bonita in 2019. Since Carla introduced me back in the February 2020 newsletter, I have enjoyed meeting more of the community and I take pride in our *Village* we have here. It's my desire to contribute where I am needed, to be a voice and bring value to the Board of Directors and homeowners.

More to share with you later in the next publication. Take care!

Terri A. Henley

The celebration will include family-friendly activities throughout the day and culminate with a fireworks show at around 9:30PM. Parking and admission are free. Anyone interested in volunteering for the event will receive a free t-shirt, parking pass, food voucher and the community's sincerest gratitude. Email [lwalker@prcity.com](mailto:lwalker@prcity.com) if you would like to volunteer.

## Village-wide ANNUAL GARAGE SALE SATURDAY, MAY 21<sup>ST</sup>

The Annual Garage Sale has been scheduled for Saturday, May 21<sup>nd</sup>, starting at 9:00 AM. The weather should be perfect for a little outdoor shopping, or swapping.

Homeowners can post their own individual signs with their and choose their own hours of operation. Please remember to take the signs down after the sale.

Although most of our Villagers will have already received their vaccinations, you might want to continue to follow the 6 feet of separation advisement.

The event will be advertised on Nextdoor Turtle Creek and Facebook Marketplace.

We anticipate that this year there will be even more residents participating, so get your goodies together and welcome the shoppers...and for you buyers, Happy Hunting....

## VACATION TIME IS COMING UP...

With RV's, trailers, boats and such around the neighborhood.

Keep in mind that RV's are to be stored out of sight, except for 72 hours to pack in preparation for a trip and an additional 72 hours to unpack and get it back to storage. This includes parking on the street.

The Board has determined, it was the intension of our founding fathers and the majority of current homeowners that RV's, trailers (both travel and commercial), oversized commercial vehicles, boats and various other recreational vehicles are to be stored out of the Village at off-site storage locations. This also applies to parking on the street. Unlicensed and/or inoperable vehicles may not be parked either on ones property or on the street.

If you are wanting to send in a formal complaint regarding an RV parked in your neighborhood, please allow the owner the 72 hours or 3 days allotted before writing a letter to the Board.
